

PARADISE ISLAND LIGHTHOUSE & BEACH CLUB CO. LTD.

17th June, 2021.

Press Release: An open letter to the Prime Minister of The Bahamas.

Dear Sir,

As you are aware, over the past four years we have made many attempts to meet with you in person to discuss the Paradise Island Lighthouse & Beach Club project. Unfortunately, to date this has not resulted in a meeting.

I hereby make a formal, public request to meet with you for the purpose of bringing about a resolve to my Paradise Island Lighthouse & Beach Club matter in the very near future and remain hopeful you will make yourself available.

Thank you.

May the light shine on.....

Sincerely yours,

Captain Toby C.S. Smith,
Lighthouse Keeper.
